INTRO TO LIFE: STUDY IN GENESIS

For the next several weeks, Pastor Alan will be continuing his series from the book of Genesis answering important questions. To encourage deeper understanding, a short, daily, and *free* devotional is available each week on the back table. The devotional compliments the sermons and small group discussions.

MEMBERSHIP FOLLOW-UP

It was wonderful having such a strong response to our first membership class last month. For those who attended the class, this is a friendly reminder to return your signed covenant and faith story to Pastor Alan or Russ Damas. Additional forms are available on the back table.

MEDICAL TEAM

We are seeking a group of four or five medical professionals to be part of our medical team. The team members of this important ministry would act as a "first responders" in the event of a medical emergency or provide first aid in the case of less significant incidents. If you know CPR or have medical training, please contact Gary Glosner at gary@glosner.com to apply or get more details. We hope to have enough people so each person would only be scheduled one Sunday a month.

CAMPUS PHOTOS

Have you captured pictures of church events? Do you have church photos taking up space on your phone? We would love to create virtual storage of them so these memories do not get lost. To share, simply email or text to Bri Martas or Michelle Boni.

THANKSGIVING CELEBRATION

On Sunday, November 21, our church family is invited to give thanks together to celebrate Thanksgiving. Turkey included! Watch for details coming soon.
