

## **SUPPLEMENTAL NOTES**

### **LESSON 8: THE THIRD REBELLION**

Unlike the other lessons in this course, which I have painfully shortened by removing material from the lectures and putting it the Supplemental Notes, this one could not be reduced without sacrificing its essence. Therefore, I split it into two lessons. Lesson 9 will essentially be Part 2 of topics related to the Divine Council.

### **Further Investigation/Resources**

Most of what I have for you here are references to Michael Heiser's work because he has done the most to make these concepts accessible to the non-scholar. His bibliographies are extensive, so you can view these resources as gateways to much more:

Heiser, Michael S. *The Unseen Realm: Recovering the Supernatural Worldview of the Bible*. Bellingham, WA: Lexham Press, September 1, 2015. (This is Heiser's main book on the subject, bringing together concepts from much of his previous work and touching on ideas he would later develop further in other books.)

A shorter, easier edition of *Unseen Realm* was created for those who might find it difficult to read the more scholarly version. It's called *Supernatural: What the Bible Teaches About the Unseen World—and Why it Matters*. I highly recommend starting there if you want to try to explain these concepts to anyone else!

Some interesting podcast hosts like to have Dr. Heiser on as a guest, and he likes to accommodate them so that some solid content gets put out to their audiences! If you like the first part, you'll want to watch all 8 parts of this series.
