

**PREPARATION ACTIVITIES FOR LESSON 21: THE KING TAKES THE THRONE****Part 1: Reflection on Lesson 20**

Check out the Supplemental Notes for Lesson 20 (The Already). I had to move the stuff here that some of your Preparation Activities were about last week, so if you've been wondering where I was heading with all that, you'll want to be sure to find more information here!

- A war in Ezekiel
- A conflict in Isaiah 17
- A visual chart that presents how these wars may relate to events in Revelation

Take a few minutes to reflect on each of the following as you look back at your notes:

- What keeps coming back to your mind after learning about Revelation 1-6?
- Do you have any unanswered questions or topics you'd like to study further?
- Which of the Further Investigation resources (from the Supplemental Notes) would you like to explore at some point?

## **Part 2: Getting Ready for Lesson 21**
