TODAY

What has this pandemic been like for you? What has God taught you through this time? Why has it been a spiritually dry, desert time for some, and a spiritually rich, refreshing time for others? Are there practices we can put in place to “Pandemic-Proof” our faith? This week we’ll look at the foundation to this kind of unshakable, unstoppable faith: Our personal discipleship. As believers we are indwelt with the Holy Spirit and have the privilege of learning and growing directly from Him! The question is, are we taking advantage of that gift?
