Dear Chapel Family,

I am grateful for your continued patience and faithfulness as this challenging season draws to a close. I write today to offer additional details about the Summary of Findings and town hall meetings.

We will use a web-based tool called [Slido](#) that will allow you to submit questions for us to address during the series of meetings next month. We like Slido because of its ability to set expectations—your questions, though submitted anonymously, will be publicly viewable and will be seen by the church at large. Everyone in the congregation will know exactly what's been asked, what still needs to be addressed, and what they can expect from the discussion.

When you access the Slido interface, you will have the option to submit a new question or vote for existing questions that you believe deserve more attention. If the question you intended to submit has already been asked, simply vote for that question, rather than submitting a duplicate. Some of you have already shared your questions with us in writing via the form embedded within the Leadership Updates page on our website. We thank you for your openness and thoughtful consideration in these matters, and we have added questions received in the last 30 days to the Q&A tool on your behalf.

To access Slido and begin contributing, simply [click here](#). Submissions will be moderated to avoid profanity or degradation, but all appropriate questions will be released for public view and voting. We are relying on your input to shape the content of our town hall meetings. Your votes will help us understand which questions are of highest priority.

As a reminder, you will receive the Summary of Findings document on Friday, October 1. This document will be prepared by the consultants from The Center, based on their findings, and will come to you without any edits or changes made by The Chapel. You may begin submitting your questions now, or you may wait until after you've read that document in its entirety. **We will continue to accept questions through Slido until Wednesday, October 6.**

For your reference, here is the meeting schedule once again. Please choose to attend any one of the following meetings, as they will be identical in content and format:

**Friday, October 8** | 6:30-8:30pm | Akron Campus Worship Center  
**Saturday, October 9** | 9:30-11:30am | Green Campus Worship Center  
**Saturday, October 9** | 2-4pm | Akron Campus Worship Center

Advance RSVPs are required for all town hall meetings. To RSVP for a meeting, please [click here](#). If you are unable to attend an in-person meeting, you can still expect to receive a recap of the most pertinent questions addressed. This document will be made available in PDF form, via email, shortly after the meetings have taken place.

If you have questions about how any of this will work, or need guidance in navigating the Slido tool, my team and I are here to help. Reach out to [updates@thechapel.life](mailto:updates@thechapel.life) at any time. May the Lord multiply our efforts as we seek to serve you well.

Christ is King,
