

May 28<sup>th</sup>, 2021

Dear Chapel Family,

We have another update for you from our Constitution Committee:

**Constitution Committee Update**

On Thursday, May 27, the Constitution Committee met again. At this meeting, the Committee selected an independent third-party firm to assist in our fact-finding measures. The Chapel has come to a formal agreement with this organization to enlist their services, and their work of interviewing is scheduled to begin early next week. In an effort to protect the privacy of pastors and other staff members participating in the inquiry, we will not release the name of this firm or any of its employees at this time.

**Leadership Updates Portal**

Effective immediately, all future leadership updates and communications pertaining to the ongoing inquiry will be posted to our Leadership Updates portal, available at <http://thechapel.life/updates>. Moving forward, we will only use email as a distribution tool for the most urgent news, when necessary. We anticipate releasing new information weekly, or as often as the Constitution Committee gathers. Check this portal as often as you deem appropriate to stay informed of our progress.

Our Committee members, trustees, pastors, and staff continue to be blessed and encouraged by the prayers we have received, and we are grateful. Know that we, too, are praying with you and for you. May our prayers and our actions bring much glory to our great God.

Sola Gratia,  
The Chapel
