
PREPARATION ACTIVITIES FOR LESSON 9: GOD'S INHERITANCE

Part 1: Reflection on Lesson 8

You get a little break from Supplemental Notes this week! I didn't have to leave anything out of the lecture because I divided this lesson into two parts.

*NOTE: Lesson 12 will have no new material. We'll spend our time discussing questions that the class sends me about the lessons in this section (#7-11). If you have any burning questions about Lesson 8 (The Third Rebellion), go ahead and email them to me at bjmitchell93@gmail.com so I can consider them for our Question and Response time.

Take a few minutes to reflect on each of the following as you look back at your notes:

- What keeps coming back to your mind after learning about God's "divine council" and the idea that he disinherited the nations of the world at the Tower of Babel?
- Do you have any unanswered questions or topics you'd like to study further?
- Which of the Further Investigation resources (from the Supplemental Notes) would you like to explore at some point?

Part 2: Getting Ready for Lesson 9

We'll be picking up in the lecture where we left off last time, highlighting passages throughout the Old and New Testaments that give insight into how things work in the spiritual realm. We'll also be looking at some amazing implications related to who we are in Christ!

You'll feel much more invested in the material we cover in class if you have already looked up some of these passages! The following questions are going to seem random, and maybe a little strange. But trust me, it will be fun! I'm not going to provide an answer key for this lesson because we'll cover all of these (and more) in the lecture. Just do your best.

1. According to Exodus 12:12, who was the Lord judging with the plague on the firstborn?
2. Read 1 Samuel 26:17-19. Why did David feel that it was especially painful to be driven away from the land of Israel?

3. In 2 Kings 5:16-19, what strange thing did Naaman ask for after he was healed of leprosy?
4. Two different mountains are referred to in Psalm 68:15-16. Can you tell what they are?
5. In Leviticus 16:17-10, where was the goat “Azazel” sent away to? Do you remember anything about this place from our earlier lessons?
6. According to Daniel 7:13-14, who will serve this one “like a son of man”?
7. Who is being punished in Isaiah 24:21-23? We aren’t surprised by the human group, but the other group would be rather puzzling if we hadn’t learned what they’ve done! Compare this passage to Psalm 82.
8. According to Jeremiah 23:18-22, if false prophets had done a certain thing, they would have proclaimed God’s words and turned from their evil. What is that thing?
9. According to Acts 7:52-53, what did angels do? Cross-check this with Deuteronomy 33:1-4 if you want to see it in action!
10. What English word do you find in both Acts 2:3 and Deuteronomy 32:8 in the ESV? (Not and, as, of, to, etc. A bigger word.) We’ll see that the Hebrew and Greek behind these appearances of the word are connected.
11. Spoiler alert! Who ARE you? Find out in John 1:12, Galatians 3:27-29, Romans 8:14-17, 1 John 3:1, and Revelation 21:7.
