

VIDEO PRODUCER/EDITOR JOB DESCRIPTION

Reports to: Lead Video Producer and ultimately the Creative Arts Pastor

Works with: Creative Arts Team and other staff as needed

Status: (Full-time, exempt)

Description

You will work directly with the Lead Video Producer to create videos that will be played on a variety of platforms, including but not limited to: church services, internet, digital signage, information kiosks, etc. In this dynamic position, you will serve as a visual storyteller by writing, filming and editing creative video content. You can expect to be working on several projects at once, work under strict deadlines and be an active part of the creative team. You will need the ability to offer creative solutions to problems and think of innovative ways to reach a desired audience.

Characteristics

This person also must be a team-building leader with a servant's heart. Must work well with a variety of personalities and be self-motivated. The ideal candidate will think out-of-the-box and enjoy new creative ideas. We are looking for someone who can bring vision and creativity.

Spiritual Requirements

- A humble, joy-filled follower of Christ, submissive to His word.
- Regular attender and member of The Chapel in Akron upon employment.
- Must maintain high-level integrity and character.

Job Requirements

- Ability to manage priorities, work independently and work well with a team. The ability to work on multiple concurrent projects is essential.
- Must be proficient in Adobe Creative Suite, including Premiere Pro, Photoshop and After Effects. Skills on additional platforms are a plus.
- Must have technical knowledge of all aspects of video editing, including importing content, working with a variety of compression formats, basic audio mixing and DVD authoring.
- Must be able to work with footage from varying formats and qualities and make them seamlessly work together.
- Must be willing to work on a variety of projects for a variety of clients that vary in length, including quick turnaround projects (few hours) to projects that take several months to complete and to prioritize them well.
- Must have strong communication skills – verbal, written and presentation.

- Have an interest in learning new technology.
- Possess a “can-do” attitude, be self-motivated and driven to fix problems without being told.
- Flexible schedule with some weekend and evening hours to be expected.
- Must be able to develop, plan and storyboard video shoots including scheduling the talent.
- Must be able to shoot video and manipulate lighting to reap desired effect.
- Must be capable to secure locations and props when needed.
- This person must operate in an environment that does not require day-to-day micro-managing.
- Any other duties assigned by the Creative Arts Pastor

On a lighter note: this position has a lot of creative freedom. We have a lot of fun, so a sense of humor is also required. We work hard and play hard!

Additional

- This position will help disciple, oversee and direct 1-3 interns.
- High preference will be given to those that also excel in After Effects
- High preference will be given to those that also excel in photography
- This is a full-time, salaried position with benefits
